Mini GrindR discs uses a type R plastic roll on lock design as it's base. Grain is fused directly to a tough polymer backing. Not paper, not cloth, not even fibre, but plastic. This one piece design prevents the risk of detaching. While the polymer promotes cool efficient grinding. Available in 1.5", 2" and 3" diameters.

**Aluminum Oxide**

Diameter	Pack Qty	Part Numbers						RPM Rating
		Grits Available						
		24	36	50	60	80	120
